A modern bedroom interior with a warm, minimalist aesthetic. The room features a low-profile wooden bed frame with a light-colored duvet and pillows. Behind the bed is a long, low white storage unit with open shelves above it, displaying books, decorative objects, and framed art. To the left, a large circular world map is mounted on the wall. A desk with a laptop and a modern chair is visible on the far left. A colorful, abstract patterned rug is placed on the floor in front of the bed. The walls are covered in light wood paneling, and the floor is made of light wood. The lighting is soft and ambient, creating a cozy atmosphere.
